Dear *Karen,*

Just a line to thank you for inviting us to join you at the switch on of St Anne's Christmas Lights.

What a lovely event it was, with the Carnival Queen, people carrying lanterns, a procession and Santa toboot!!

You have a great Town Council and a great town, you must be so proud to be Mayor.

The weather was foul but Vanilla Cafe, the company and the occasion provided enough warmth for us to ignore the elements.

Again, thank you for your hospitality.

Regards,

John + Geraldine
