## **PARADE ENTRY FORM**

The following letter contains information about the St. Annes Carnival Parade and an entry form. Please read the details carefully. To register for the Parade, simply select the category for your organisation and provide us with some details of the entry on the attached form. This can then be returned to us in the following ways:

1. Complete the form and return to: **Carnival Parade Entry c/o John Nightingale**, Responsible Finance Officer, St Annes on the Sea Town Council, West Lodge, 5 St George's Road, St. Anne's on the Sea, FY8 2AE.  
OR
2. Email to [info@stannesonthesea-tc.gov.uk](mailto:info@stannesonthesea-tc.gov.uk)

Details of the assembly arrangements for the Parade will be sent to all entrants in the last week of June.

As in previous years the Parade will commence at **10:30am**. Parade entries will be judged between **09:40** and **10:15** (to be confirmed) and **ALL** will receive a certificate prior to start of the Parade. Trophies for best in category in the Parade will be presented in the afternoon after the crowning of the Carnival Queen at approx **1.20pm**.

Once again congratulations to all of last year's trophy winners. Could we please request the return of the trophies by **1<sup>st</sup> June** to 383 Clifton Drive North, St. Annes FY8 2PA

The collection during the Parade is very important for both the Carnival and its chosen charity. Each organisation taking part is asked to supply at least one person over the age of 16 to collect for us in the Parade. It is important that these collectors have the time to mingle with the crowd and not just walk alongside you in the Parade, so should **not** be part of your float/entry. Please supply details of your volunteer collector(s) on the entry form so we can contact them nearer the time with details.

### **COMMERCIAL SECTION:**

Some businesses already go the extra mile to decorate their entries into the Parade however, there are a small number who make little or no effort and this makes the Parade disinteresting for those watching. **ALL ENTRANTS** must enter into the spirit of Carnival Weekend and fully decorate their vehicles or wear appropriate costume to advertise their business. This will help to maintain the interest of the spectators who support us. **Those who have not advertised in the Carnival Programme or sponsored the Carnival in some way are asked to make a donation of £20.**
